ANSWER TO QNo: 3.

TRANSLATION:-

"O mankind! we created you from a male and female, and made you into nations and tribes, that may you know one another. Verily, the most honourable of you with Allah is that who has taqwa. Verily Allah is All knowing and All aware."

EXPLANATION:-

Islam came to finalize the equality of all humans. It came to people who worshipped many gods. during the time when the blood of nobility was considered for superior to that of the common man, to a mindset that based society on all-pervasive social strata that could never be breached. Under this modulus of op and d, the poor would always be poor and superfluous to the rich under their deaths: did they have souls and, if so, were they pure evil.

Finally Islam insisted the only things that would benefit mankind on the day of judgement are sound belief and good deeds one solely for the sake of Allah.

• The beginning of human race:

O mankind! we have created you from a male and female.

Thus, pride in the one's lineage is against teaching of Islam, And Allah's messenger (s.Aw) discouraged All such practices He said

"All of you are the children of Adam and Adam himself was created from clay. Refrain from boasting upon one's lineage, (otherwise) you will be lighted than the heap of the dust and marriage birds in the sign of Allah."

• Tribe and groups are only for Acquaintance:-
