Subject for the role of assistant doctor

Dear Mr imran Khan

This is regarding your advertisement. Which published in aaj news. I have read this in the news paper for vacancy of assistant doctor. I would be pleased to apply for assistant doctor.

Doctor is always been my profession. I am always honest with my duty. I was a doctor in the LRH for 8 years. I have been working since 2009. I have experience about 11 years I am been through lots of hospital. I had worked with professor and under best doctors.

My experience is much suitable for the job.

I enclosed my CV to the job application. And request you for the role of this job.

Feel free to contact me anytime I have attached my personal details in CV.

Your sincerely

Najeebullah

# *Dialogue Writing*

**Siyab:** hey, adnan. Your looking upset.

Adnan: Yeah I feel tired.

Siyab: why do you feel tired is there anything wrong with you?

Adna: yeah I have just heard about my cousin. He is infected from  
corona virus

Siyab: oh! really that's too bad. How is he now?

Adnan: he is in serious condition.

Siyab: oh! No it's very bad too hear.  
how he is infected?

Adnan: he told us that i have travelled with some strangers

Siyab: I knew that he did something like this.

Siyab: what do you think. What should we do to prevent from corona Virus?

Adnan: we have to wear mask and gloves and avoid gathering.

Siyab: yeah your right we have to stay away from the people.

is there any vaccine for the covid19?

Adnan: no there is nothing to safe your life but some countries trying to make vaccine.

Siyab: what do you think. When it will finish. Or when will we go out Home? And what do you think when we will go to university?

Siyab: which country is most effected from corona virus?

Adna: there are some develop countries. Which are efected the most like American. Italy, Uk and many more.

Siyab: what about the recoveries?

Adnan: china and Germany almost get to recover their patients from c. corona Virus.

Siyab: oh really that's too good how they received and why the other c Countries still not to recover

Siyab:that's good news they are going to handle the situation.

what about pakistan. Is pakistan in those dangerous countries?

Adna: no pakistan is safe from danger but they have to stay home if they want to save their lives. In tge beginning they were also thinking that it's fake and cannot harm people but literally corona virus destroy their nation

siyab: yeah we have to be careful and try safe our lives

ok adnan thank you so much for your information

adnan: your welcome take care see you next time bye
