**3. Describe a picture in your own words and suggest a title. (300 words)**

**Title : *Boss and employer***

When I see the picture I observed that the one man who is sitting on the chair and saying something to the other person

Standing is holding some books or files in his hands. That man looks to be standing silently and listening carefully

To the person sitting on the chair he may be the boss of him if we see the picture the man standing has his head down he may have made a mistake or it is in respect which he wants to give to his boss but the man sitting on the chair is also holding some keys which he may want to give to the person standing in front of him. Maybe for the files he is holding in his hand to take them from the cupboard. The man standing these files to take them from the cupboard the man sitting has a cupboard

On the right side. There we can also see some drawing of beautiful mountains hanging on the wall behind him. A globe is also placed on the cupboard on his right hand and a telephone on his left hand on the table. There are so many other things on the table as well. A bundle of files are also lying on the table. It seems to be the office of a headmaster or a school principal as while the picture describes the value of education the man sitting on the chair is an office and a lot of facilities. The people coming to his office show respect to him. We can see the man standing is bowing his head to the boss and the boss is looking to be in a joyful mood. He is looking to be laughing. He might be joking during the conversation. The boss may be a humble man who meets with his employer with a smile on his face.
