It has seventeen words and seventy three letters, it include in the thridiyath parah. When this Surah revealed it was the time when Muhammed (S. A. W) was proclaiming of his prophethood. The main topic of this Surah is the Blessings of God on the Quraish tribe and they should be thankful.

to God for ~~from~~ protecting them from ~~the~~ fear and hunger. Quraish tribe was the ruling tribe of Mecca. They were the protectors of the Kaaba, and trading was their profession. They were very proud on themselves being the protectors of the House of Lord. People from all over the world came to Kaaba for Hajj and Umrah. Actually this Surah is about how God saved Kaaba from destruction. The meaning of this surah is "For the accustomed security of Quraish. Their accustomed security to the journeys in winter and summer. So they should worship the lord of this house. He who has fed them against hinders, and made secure

from fear." So from the Meaning of this surah we realized ~~they~~ that it is about the safety of Quraish tribe, and safety of their caravan everytime and they should worship the lord of Kaaba, and thankful to God ~~for~~ protecting them. At that time no one was safe so God protect them from evils and cruelty. At early ages when caravan travels the robbers robbed them and destroy them, So God protect them from such incidents, And God says them to Worship me because there is no god but Allah. In early ages hunger was a common problem because no one was too wealthy to prepare

Allah and follow the life of Mohammad (S.A.W)

which is a practical

example of Quran. The Holy Quran is also called Kalamullah which means the Kalam of Allah. It is the last book of Islam which is written by Allah. There is seven sajdah and 558 Raku in Quran, There is 85 Makki and 29 Madni Surah in Quran. Hazrat bin Yusuf written the zer, zabar, pesh etc in holy Quran. The Holy Quran was completed in 23 years on Prophet Muhammad (S.A.W). The first ^{surah} ~~surah~~ was Iqra Surah which is revealed in the month of Ramadan. Allah says that if anyone read only one word of Quran I will give him 10 rewards in return. Surah Baqrah is a longest Surah

and Surah Kawthar is the shortest Surah in Quran. It was revealed through the angel Jibrael on Prophet Mohammad (S.A.W). About 25 prophets are mentioned in the Holy Quran. scriptures and sin. God is
merciful, forgiving and
is above all what is on
the earth and in heaven.
The protection of Holy
Quran also take the

No one can make
changes in Quran even
Allah ~~is~~ challenged the
whole Arabs to only

Q. 3.

Ans.

Tauheed means the oneness of God. It actually tells us that there is no God but Allah, the one and only we have to worship. It also tells that Allah is just ^{and} merciful so those who follow this way will go to jannah and it is the very first belief of a muslim that he should worship the God. The Quran also tells us how to live a good life that pleases him. All the other religions are not obeying the Tauheed, So if anyone want to go to jannah he must be muslim and accept that God is one and Mohammad is the Prophet ^(S.A.W) of Allah.

If anyone compare or accept someone as god it is called Shirk, and this is a non-forgiving sin in Islam. Because Allah is the one who made the universe and he is the only one to rule on the universe, everything is in his control. Allah is the creator of the universe.

If anyone accept God as his Lord and also worships of God, his life will be full of happiness and Allah also says that If you worship me you all will go to jannah and the other will go to jahannam. Allah also took the responsibility of those who ~~with~~ worship him and at the day of judgement Allah will give them a

reward and they will
go to Jannah.
