Fall / Spring / winter

Q¹: What was the concept of two nation theory?

Ans:- " Despite giving together for 1000 year hindus and muslim have their own individual ideologies so the only solution of political conflict in india is to have a separate independent parliament for each nation.

For muslim deprived that now they are impossible to stay here with hinduism. they want's other country for their self. and finally they get their dreams in the face of Pakistan.

Q: What is ideology and what was the importance of ideology in Pakistan?

Ans: Importance of ideology of Pakistan is as under 1. Right of self determination

→ In the decent civilizations of the world, right of self determination has got the place of basic human rights. The muslim of sub-continent were hard for the attainment of right of self determination on the base of this right of ~~self~~ muslim demand ~~SP~~ separate electorate in 1906 and this right was awarded to the muslim in ~~1906~~ 1995 into merely 1995.

Q. write the advantages and disadvantages of government.

Ans: Advantages and dis-Advantages of government. ~~of~~ PTI government now-considered

Advantages:

∴ PTI government advantage is more than from the other government. They do their job well in the form of corruption. This step is very good from the PTI government.

∴ PTI government special take the rights of ~~the~~ Kashmir in the world. in united nation also imran get the voice of Kashmir for the world.

∴ The government of PTI also grow up the banazir income support program fund to the poor people.

:- PTI government is first
to get to the right
of Qabayal .

dis advantages :-

:- PTI government say
- that when we came in govern-
we will approve you in the
right bases like a jobs,
housing skill and many other
so they did not do as well.

:- The take more ~~taxes~~ taxes
from the ~~people~~ people of
Pakistan as compare to
- the other government.
