- (2) he made two madreeses in muradbad 1858 and also ghaziy1862 in impart pre- education in pakistan .

### **Two nation theory :**

The **two-nation theory**) is the basis of the creation of Pakistan. The two-nation theory in its simplest way means that cultural, political, religious, economic and social dissimilarities between the two major communities, Hindus and Muslims of the Subcontinent. These differences of outlook, in fact, were greatly instrumental in giving rise to two distinct political ideologies which were responsible for the partition of the sub-continent into two independent states. The two-nation theory was a founding principle of the Pakistan Movement (i.e. the ideology of Pakistan as a Muslim nation-state in South Asia), and the partition of India in 1947.
