2. Write a letter to the Health Department regarding the present outbreak of COVID-19, briefing about the present condition of your area, the response of the people and the preventive facilities at hand. ( 300 words)

Respected health department I need to provide information about COVID -19 in our area.upt to date in our area there are 207 people are diagnosed from COVID-19 in which 7 people are died to this COVID-19

People did need proper follow up on this viral disease to protect their selves with the help of your department.on date 13 March 2020 when first case has been reported in our area no doubt at that moment your efforts are highly appreciated at over all'level and timely taken required steps did stop that novels pandemic viral disease to be spread in the society.but it is also necessary to bring in your knowledge that some illiterate and typically thanking people are not going take this novel COVID-19 serious and they are not going to follow the protective steps as this is a joke for them which more dangerous for our society.if proper care is not done May harm our society more repedly as China and other affected country.we highly need your support to aware that typical people for the protection of our society

Once again your efforts are highly appreciated by local people and affected families as well after feed back of people from the affected local area.after getting feedback from people and medical faculty people of the affected area and non affected area as well required proper awareness regarding this novel COVID-19 to protect their selves.in this matter you better known how to guide the local people with the help of social media as tele communication as your words and guidance are more powerful to be followed. Hopefully this letter will be considered as a feed back from our helpful to take more productive step to fight against this novel COVID-19.

**3. Describe a picture in your own words and suggest a title. (300 words)**

**Title.interview for job**

**In this picture there is two man.the one man is officer who are taking interview from the condidate the officer are sitting on his chair while the condidate who are short lest for interview are stand in front of the table.the officer asking some questions from the condidate which is related to his working..so interview is a conversation with a purpose.it involved the selectors and the condidate.the selectors are sitting in his chair while the condidate are stand in front of the selectors . No debt, calibre,and sutibility of the condidate are very important but equally important Is an interview . interview is a really face to face suitation,just like seen in the above picture .A complete knowledge and pula point of condidate are a paramount importance . A condidate must reavl his very best and most accurate aspects . A condidate while being interviewed must (a) not lose temper (b) polit.(c) not be arrogant. The officer must tell interviewing about his qualifications., experience,and other particular in a lucid. Concise.confident and precise manner. The way a condidate present him if goes a long way to impress the interviewer.it must be remembered that that being a good at interview is a skill.which is quite separate from a work skill. Be prepared and be positive about yourself. The condidate we'll be interviewed by a boad.who will have before them a record of his career.he will be asked questions on matters of general interest.the object of the interview is to access the personal suitability of the condidate for the service or service for which he has applied By a board of competent and unbiased observer.the the test is intended to judge the mental calibre of the condidate.some of the quality to be judged of the above picture boy is to judge mental alertness.critical power of the assemilation.clear and logical exposition.so a successful interview means abright careers.so in the above picture the selectors are asking questions related to his qualifications.and experience and the selectors also judge the condidate behaviour mentalness . way of speaking.while the condidate should want to give best answer of his every question to achieve this job the**

**condidate has take his documents in his hand.which is necessary for interview because the selectors see his experience.so in this picture there is a . selectors and condidate which are sitting face to face and the selectors asked questions while the condidate give answer.**

**THE END**
