It has been narrated that the great caliph, Umar Ibn Khattab (R.A) once he heard two men raising their voice in the prophet's masjid, so he asked them: "Do you realize where you are?" But before they could answer Allah warns that one might loose all his good deeds, due to disrespect to the messengers of Allah (S.A.W) or his sunnah, without ~~disrespect to the~~ he knowing it. Explanation: / describe ::

Islam came to finalize the quality of all humans. It came to a people who worshipped many gods, during a time when the blood of a nobility was considered far superior of that of the common man. to a mindset that based society on all-pervasive social strata that could never be breached. Under this modus operandi, the

poor would always be poor and subservient
to the rich until their deaths. Contemporaneously,
some were debating the true nature of women:
did they have souls, and if so, were they pure evil?
finally, Islam insisted that the only things
she would benefit mankind on the Day of
Judgment are sound belief and good deeds
done solely to the sake of Allah.

Abu Sa'eed told that he will ~~be~~ not comment
on it because our conversation will be
conveyed to ~~the~~ prophet Muhammad (S.A.W)
through revelation. That was the occasion
when this verse revealed.
