Q3

Day: [WEDNESDAY]

Ans Types of Interviews

- 1) panel interview
- 2) one-to-one interview
- 3) video conference interview
- 4) presentation / Demo interview
- 5) case interview.

1) Panel Interview:

typically three. In a panel interview the six members having different roles in the organization are contacted.

2) one-to-one interview.

In one-to-one interview one person takes the interview. It is the interaction b/w the interviewer and e.g. job interview, counseling, etc.

3) Video-Conference Interview.

Video Conference Interview

are becoming more common

They expand the scope of searching for qualified cost candidates

e.g. national & multinational jobs.
