Qn1(B)

ANS:- Other options are

- Smart Phone
- Laptop
- E-catalog
- Electronic Micro Transactions
- Online Banking

Qn2(A)

ANS:- Steps for Paper catalog:-

- Arrival of New stock
- Entries of New stock into the inventory system
- Approval of New entries from the store manager-
- Necessary changes made in paper catalog before publishing
- Printing and Publishing of new paper catalog.

Steps for E-catalog:-

- Adding separate categories for different places-
- Possibility to adding voice and motion pictures-
- Good search and comparison capabilities-

Q2(B) Both catalog have their advantages and Disadvantages,

### Paper catalog Advantages:-

- Easy to create a catalog without high technology.
- Reader is able to look at the catalog without computer system.
- More portable than electronic catalog.

### Disadvantages:-

- Difficult to update changes in the product information.
- Only limited number of products can be displayed.

### Choose a catalog:-

For me I will go for E-catalog because of the following reasons

- Easy to update product information
- Able to integrate with the purchasing process.
- Good search and comparison capabilities.
- Cost saving
- Easy to customize
- Possibility of adding voice and motion picture.
