Q1:- write a detail note  
on HOLY BOOK QURAN?

Ans:-

DEFINITION:-

The Quran is the  
Holy Book for muslims  
revealed in stages to the  
Prophet Muhammad over  
23 years.

Quranic revelations  
are regarded by Muslims  
as the Sacred word of  
God, intended to correct  
any errors in Previous  
holy Book such as the  
Old and new Testaments

Origin:- The Quran was revealed  
to the Prophet Muhammad  
by God in Arabic.

Some Quranic fragments have  
been dated as far back as the  
eighth, and possibly even the seventh,  
century. The oldest existing  
copy of the full text is  
from the ninth century.

Although early variants  
of the Quran are known to  
have existed, Muslims believe that  
the text we have today was  
established shortly after the death  
of the Prophet by the  
Caliph Uthman.

Contents:-

There are 114  
chapters in the Quran, which is

written in the Old Arabic dialect.

All the chapters except one begin with the sentence Bismillahir rahmanir rehmem, in the name of Allah the most merciful and the most kind - This is the thought with which muslims should start every action.

The longest chapter of the Quran is Surah Baqarah (The cow) with 286 verses and the shortest is Surah Al-Kawthar (abundance) ~~with~~ which has 3 verses.

The arrangement of Surahs does not correspond to the chronological order in which they were revealed -

(4)  
(umma'iyah)  
The Quran is sometimes divided into 30 roughly equal parts known as 'Juz'. These divisions make it easier for Muslims to read the Quran during the courses of a month and many will read one 'Juz' each day, particularly during the month of "Ramadan".

### Explanation:-

The Holy Quran is a book of revolution it is against dull life, lethargy, weakness and dishonour in life - The clear proof of the statement is that the Holy Prophet (P-B-U-H) and His followers fought more than 105 battles within ten years after the declaration of Jihad - P - 1 - 0

The Quran contain all matters  
social life begining from family  
Passing through the education, Politics  
economy and ending up to  
religion.

The language of the  
Holy Quran is a miracle.

The style, is so incomparably,  
sublime that it is beyond human  
faculty to compose even anything  
like the smallest part of it  
in beauty.

Q3:-

(A) Tauheed:-

The Holy Quran is an inexhaustible source of knowledge for those who seek to discuss this subject. we have preferred here to be very brief in signing the reader the following aspects relevant to "Tawhid as outlined in the Holy Quran,"

"(He is) the Originator of the heavens and the earth He made mates for you from among yourselves, and mates of (and for) the cattle

(10)  
too, multiplying you (humans  
and animals) thereby; nothing is  
like Him; and He is the  
Hearing, the Seeing. (49:11)

we say: He Allah, is one.

Allah is He on whom  
all (beings and things) depend -

He does not beget, nor  
is he begotten, and  
none is like Him.

(112:1-4) ~~(112:1-4)~~

He is Allah, the One,  
the Subduer (of all).

(1) lives?

(B) Effect

The Effects which the belief in La ilaha illallah has on the life of a man and see why he should always make a success of life and why one who denies it becomes a failure in life, both here and in the hereafter.

① A believer in this Kalimah can never be narrow in outlook - He believes in a God who is the Creator of the heavens and the earth, The master of the East and the west

P - T - O

(Ummid Nyaz)  
and Sustainer of the entire  
Universe - (12)

② This belief produces in man the highest degree of self-respect and self-esteem - The believer knows that Allah alone is the Possessor of all Power, and that none besides Him can benefit or harm a person, or provide for his needs, or give and take away life or wield authority or influence

③ along with self-respect this belief also generates in man

P - 1 - 0

a sense of modesty (13)  
and humbleness - It makes  
him unostentatious and  
unpretending - A believer never  
becomes proud, haughty or  
arrogant - The boisterous pride  
of power, wealth and  
worth can have no room  
in his heart,

(4) This belief makes man  
virtuous and upright - He  
has the conviction that  
there is no other means  
of success and salvation  
for him except purity of  
soul and righteousness of  
behavior -

As against this, the Kafirs and the mushriks always live on false hopes. Some of them believe that God's Son has atoned for their sins: some think that they are Punished: Their own fancies become their gods and they live like slaves of their wishes and desires:-
