He begets not, nor was He begotten; and none is comparable unto him”

What is Risalah(prophet hood)

Risalat means prophet hood it is a channel of communication between Allah and mankind.

Allah sent prophets to every nation at different times to bring forgetful human beings back to the right path (as-Siratul Mustaqim).

Risalat derived from the word Rasal which means to send. In Islamic terms, it means to convey the message of God to his worshippers. The word paighamber which is of Persian language has almost the same meaning ex “One who has a message “from the point of view of religious as well as Islamic terminology, there is some difference between a prophet and a messenger Nabee(Prophet) is a general word but the word Rasool (messenger) is a term exclusively used for a few members of people. Every messenger is prophet but every prophet is not messenger. A messenger is descended with a new book but the scriptures revealed on on a prophet are the ones which confirm the teachings of a particular book Often it so happened that a Rasool was considered the founder of a new religion later on by his follower. But this was not the case with prophet.

Since all the prophets were sent by God and conveyed the same message, They were members of the same Ummah, And as all the prophets preached Islamic principles, They were Muslim’s.
