ANSWER.3 **Fatma called Komal.**

Fatma: Assalam o Alaikum!

Komal: Walaikum Assalam.

Fatma: How are you doing, Komal?

Komal: I am doing good, Alhamdullilah!

Fatma: I called you to ask you how you and your family is doing in the current situation of Corona Virus.

Komal: We are doing good. But due to the lockdown I am enable to go to University and it’s difficult for me to study at home.

Fatma: Oh you are right, I am also enable to study at home. Taking online classes is very difficult because in the class we have an environment to study and at home it’s difficult to create that environment.

Komal: Yes and especially everyone staying at home is making things difficult.

Fatma: Yes but that’s the only way to stay save as you know the suspected cases have crossed 5000 people in our country.

Komal: Yes it’s quite scary and I hope that the Doctors and Scientists who are working day and night create a vaccine so that the world is saved from this virus.

Fatma: This is the first time in our lives we are seeing something that is affecting the whole world. At this moment the whole world needs to reunite and fight against this virus.

Komal: Unity is a must in this situation. And it's not just Doctors or Scientists but people from every field are helping the Police and even the Engineers.

Fatma: I was thinking the same of how to contribute to this cause and help someone or do something good.

Komal: Oh about that I have something for you.

Fatma: What that might be?

Komal: As you know that due to the lockdown a lot of people are suffering and I am worried about the poor people in our country.

Fatma: That's true. It's a very concerning issue not just for our country but for the whole world. The daily wagers are the ones who are most affected by this epidemic.

Komal: Yes you are right, Fatma. So me and some of my friends decided to start a small ration foundation which we are running online trying to reach those poor families affected by Corona Virus.

Fatma: Oh! Masha Allah that's so great. Tell me how can I be of help?

Komal: Well, you can play your part in helping us by sharing our details with your friends and family so we can reach more and more poor families.

Fatma: I would be really happy to help. In fact, I will talk with my Dad and Uncle if they can provide some donation to your fund.

Komal: Thank you for that Fatma. We are trying our best to help people and especially in the lockdown situation it's difficult to find families and then reach out to them.

Fatma: You're Welcome. Insha'Allah we will survive this epidemic.

Komal: Okay now I have to go help Mom in the kitchen. I will talk to you later.

Fatma: Allah Hafiz Komal.

QUESTION.4

Write a job application letter for the post of Nutritionist, advertised in a daily Newspaper, stating age, education, experience, qualification, etc. (06)

SUBJECT:

Application for the post of Nutritionist.

Respected Sir,

I am a graduate from the Iqra National University (INU). I have done my masters in Human Nutrition and Dietetics. I am 25 years old. I have come to know about a post of a Nutritionist at your Organization through a newspaper, to which I am very interested in. I have had experience over the past 2 years in a privet Hospital as a Nutritionist and have also taken extra courses of Nutrition and Dietetics through which I am sure that I will be of great use at your Organization. I am a confident, communicative, punctual, skilled and very hard working when it comes to work. I know that this application might not show my skills and qualifications in depth, therefore I would be very thankful if there is a chance of an interview with you in person, through which I can satisfy you and show you the potential in me.

I would be very much obliged if you take my application in to your consideration and consider me worthy of this post. I have attached my detailed profile and certificates with this email and kindly feel free to contact me for further discussion with the number and email given at the end. Thank you for your kind consideration and looking forward to working with you in the future.

Yours Sincerely,

Fatma Imran Khan.
