QUESTION No :1

What is the importance of historical context in understanding a society?

Ans: HISTORICAL CONTEXT :-

Historical context refers to the religious, economics, social, political conditions that existed during in certain place or time.

Historical events and context help us to understand what motivates to behave as they did

IMPORTANCE OF HISTORICAL CONTEXT :-

Historical context in an important part of life and literature without its **stories, memories, characters**,have less meaning.

In sociological view it always includes that context in the viewpoint of society. Context helps

- Leaders to understand the culture
- Philosophical
- Political ideas
- Social

Prevalent in society at the time, if we want to understand why things are and the way they are that's why we have to understand how they got the way.

QUESTION NO 2:

According to conflict approach of sociological perspective which problems are people facing during Lockdown situation?

Ans: CONFLICT APPROACH :-

In the social science veiw it holds stratification is dysfunctional and harmful in society with unequaled Because it expense of the poor and it benefits the powerful and rich.

PROBLEMS DURING LOCKDOWN :-Some of the problems distrub all the peoples daily routine lives.Some of the problems during Lockdown are given below

- **Jobs**
- **Educational systems**
- **Business**
- **Mentally stress**
- **Health care issues**

PEOPLE'S FACING PROBLEMS :-

All the peoples are facing problems due to the Lockdown, because the jobs business institutes are off they getting mentally stress due to which they will ill that's why they Will face the health care issues.

FINANCIALLY SETTLE PEOPLE'S (rich peoples):-

Some peoples are financially settle they can spend easily their routine life during Lockdown.

Like a business man

POOR PEOPLE'S :-

Some peoples are not financially settle like they can't spend their daily routine lives. They are those peoples who have nothing to eat at their homes. They getting mentally stress.

LOCKDOWN EFFECTING THE LIFESTYLE OF THE PEOPLE'S :-

On the other hand the due to Lockdown the social distance was in the height, the educational system were closed the studies of the students are disturb. The peoples who are doing jobs they are also disturb. The labour's who doing their daily wages they are also mentally disturb. Because there is no right way to control that situation that's why people facing a lot off problems

QUESTION NO 3:

Nowadays, social media is the most influential agent of socialization. Explain why?
