Qno4:

Answer :

Q1:

The lamented of life in text of history has been done by the great lovers by the artists of science.

Q2:

The civilization is to give every man ordinary man is out of all things which we use the artist is the man of science with peculiar gifts.

Q3:

We make our life beauty of the sake of the doing so and that when we buy any things we ought to demand beauty in it.

Q4:

The writer says beauty is no ornament just it reveals itself in design of all natural things.

Q5:

Yes I agree Without beauty unsatisfied spiritual desire in worker that is waste of life.

Qno5:

Answer :

Education ought to teach us how to be in love to know on everything in universe we think about the artist's the gift of the God it is the knowledge of science that we painted it is not the saint of God that has been happened because we no longer recognize activity of the spirit life.
