Subject : Changes in class timing

After careful deliberation, we have realized that the university administration is still following the winter schedule of class timings. As you know, the climate has changed and students find it difficult to attend the classes late at 9:00 am and leave the university at 03:00 pm. It needs to be mentioned that students rise early at 05:00 am waiting for 09:00 am for attending the class that wastes their precious time and leave the university premises as late as 03:00 pm.
