Write ⁽²⁾ a descriptive essay on a famous health resort you have recently visited

I visited the most famous health resort which is present in the

Peshawar which name is the North-

West. I visited there for the treatment

for himself. I am very inspired from

the doctors and all of the staff which

present in famous health resort North-West

I also very inspired from the

cleanliness of the North-West. The all

department are present there like all

type of tests laboratories and X-rays

machine and there not one but a lot

of test machine and X-rays machine

present there. When I meet to the

doctor. The Doctor see to me and then he

start the treatment. The Doctor speak to

to me clearly and will define every thing and also give to me his number and say if any kind of problem become than you call to me any time. Then I came out from the doctor room and going to the side of medical store. The medical staff are also very good for every thing of the north-west. They give us the medicine and one of the staff member sit with me and clear to me all the medicine that how and how many tablets you take. In the north-west health resort there is also very nice and well facilities for the unwell people like sitting facility, internet facility and also the washroom facility. For the unwell people there will a separate room for those and the room have a well bad and the

④ cures and washroom facility. There is a well lift facility for the unwell peoples.

I start the medicine in the north west health resort and a few hours later I

feel the good health. So the north west

health resort is the best health resort in

the peshawar of Pakistan. I visited there

in 96/8/1960.

To:

The SDO,
Kurram Agency Sodda.

Respected Sir,

Subject: Complaint on our heavy loadshedding.

I am writing this letter to
bring notice about the heavy
loadshedding in my village. The
loadshedding is increasing day by
day and no one complain
about the heavy loadshedding. In
all day there will two hours
electricity pre sent there.

I will request you to remove the
heavy loadshedding as soon as
possible.

Thank you.

Yours sincerely,

Sajib Ahmad.
