political Services for the muslims

Two Nation Theory

Sir Syed Ahmad Khan is regarded as one of the greatest exponent of

(Two Nation Theory) which came after the Hindi-Urdu controversy.

He was convinced that the British were not sincere towards the Muslim.

Answering the query of **Mr Shakespear** commissioner of Banaras, he remarked "now I am convinced that both these communities will not join wholeheartedly in any things."

At present there was no open hostility between the two communities, but an account of the educated people it will increase immensely in feature.
