This time saqib and I spend our holidays in a village. It was a quiet a present experience. Our grand- parents live there. They had insisted on our staying them during this vacation. They had send our uncle to fetch us.

Our grand- parents were very happy to have us with them. They always tried to feed us with delicious rural preparations and cheer us in every possible way.it is a quiet village surrounded on all side with abundance of natural and scenic beauty. There are open fields and green hills. We found ourselves in the lap of nature. We use to play and wonder about all day in the village and its green fieldswith our cousins. We could breathe in fresh air in the village, which a quiet a rare thing in and around the city. There is a large village pond and we enjoyed a mid day swim in it. We were very sad when our holiday end.

I expected an early reply from you.

Your sincere friend,
