PREVENTION OF SHIRK:

“And those who invoke not any other GOD along with Allah”

In this ayah the description that Allah gives has true servants is that they do not call on any other Illah besides Him. Recall how we said that in Illah anything that fills your heart and anything that your mind in thoughts is always focused on. Sense your Illah is what is always on your mind you will naturally have hope in your Illah to save you from troubles and difficulties. So you put all your hopes in your Illah and you call on your Illah all the time. For true Muslims this illah has to only be Allah. That is why Allah describes has true servants in this ayah as those who do not call only other illah besides Allah. They are the one who dedicate their very existence only to the services of Allah, so in times of difficulty and need thy do not call on anyone except Allah. At another occasion, says Allah in the holy Quraan :

“Verily, joining other in worship with Allah is a great zoolm indeed”

“Verily, Allah forgives not that partners should be set up with him in worship”.

Innocent killing

“Nor kill such life as Allah has forbidden ”

When we look to the sunnah we find the extremely authentic hadith of the prophet (SAW) where he (SAW) said “I have been ordered to fight against people until they testify that there is no worthy of worship except Allah and Muhammad is the messenger of Allah, establish the prayer and pay the zakat. There if they do that their blood and their wealth will be protected. From me except in accordance with the right of Islam.

The Islamic law regarding sex or fixed and do not change with peer or changing value of society. Virginity at the time of marriage is considered a virtue in Islamic morality say's Allah in the holly Quraan

“truly Allah, likes not the transgressors “

“And allah doesnot like the zalimoon (polytheists and wrong doors)”
