A walk

Morning walk is an exercise with many benefits. A person who goes on morning walk has to get up early in the morning; thus it teaches self-discipline. As one begins one's walk in the peace of the morning, he begins to feel the freshness of the morning. The pure air goes into his lungs which purifies his blood. It has been proved scientifically that those who go for morning walk everyday tend to be more energetic throughout the day.

Morning walk has been found extremely effective in promoting the health of the heart. It is also good in maintaining proper blood pressure. Everyday morning walk target achieved gives a boost to self-confidence and upbeat mood. Besides making you feel cheerful it also brings you close to nature and sensitive to its beauty. In order to avail so many benefits, we all must go for morning walk every morning.

Gratitude (Thankfulness)

To me Gratitude means to be grateful and to help others become grateful as well. It also means to show someone you care and help them when they are in need. I am grateful for many things, some things I am grateful for are my family, my education, food and water on my table and my horse Joe. Showing gratitude can be hard, I can show myself and others gratitude by saying thank you, cleaning up after myself and others and helping someone out when they are in need.

I believe that showing gratitude can help others because it can give them an example of how to show gratitude, but also can help get them through their day when they are in need. Character traits I show when practicing gratitude are kindness, consideration, helpfulness and of course thankfulness.

QUESTION.5: Make precis and give suitable title.

Duty First!

Money making is not the life goal of an honorable and qualified man. It is just a necessity of life for him like all respected persons. Like everybody he likes to earn and enjoy the happiness. He mainly focuses on his work and perform it by all his strengths and abilities and thinks about his rewards and fee afterwards. Like all other men of respected profession like army men, priests, and doctors, first comes their duty, then reward.
