Topic Knowledge is power.

"Knowledge is Power"

Knowledge is something that will serve you your whole life.

The most powerful thing in the world is knowledge because it can create and destroy life on earth. Moreover knowledge helps us distinguish between humans and animals.

Knowledge is the ability to use your knowledge to help others.

Importance of Knowledge

There are few people out there who truly understand the importance of knowledge. Every ~~knowledge~~ educated person is not knowledgeable, but every knowledgeable person is educated.

This statement may sound weird but it's true. In today's world, almost every one is educated still they do have knowledge of the subject that they have studied.

Besides, knowledge is something that helps you drive a car, ride a bike, solve a puzzle, etc.

Knowledge is something that prevents us from making the same mistakes twice. It is not something that you can buy from you have to earn it.

Benefits of knowledge

The knowledge is something that increase the more you share it. It protects your intellectual capital that is your knowledge. Likewise humans have used their knowledge to create things that we can't imagine a few centuries back. It helps us to convert our ideas into reality and also it helps us to reach the success that we desire in our life.

Moreover, knowledge assists us to differentiate between what is right and what is wrong. It help us to overcome our faults, weakness and dangerous situation in life. Also, a person with knowledge is more mentally and morally sound than people with money and less knowledge.

Besides, knowledge is a very important tool to get positive changes in society or country.

Knowledge gives us a vision of our future and what we can do it. All the countries in the world that use technologically developed tools and machinery and many other things is the result of the knowledge. Weapons and bomb do not make a country powerful but knowledge does.

The growth and development of a nation do not depend on the arms and weaponry the country has. But with the amount of knowledgeable person it has and it is possible only because of the power of knowledge.

Prospective of knowledge is something that is so powerful that it can destroy the whole earth and on the other hand is a tool that can restore balance on the earth. The knowledgeable

Date:

person is the richest person on earth because no one can steal his/her knowledge. But anyone can easily steal your money and power from you any time.

Moreover, it never decrease on use and only increases with time. Accordingly, a knowledgeable person is more important than a rich person because a rich person can give money to the nation but a knowledgeable person give knowledge to the nation and this knowledge can also increase the wealth of the nation.

In conclusion, we can say that true knowledge help person to bloom. Also, it keeps people away from fights and corruption. Besides, knowledge brings happiness and prosperity to the nation. Above all, knowledge opens the door of success for everyone.
