**3. Describe a picture in your own words and suggest a title. (300 words)**

I can see a simple picture. There are two persons, they are talking with each other. One man is sitting on the chair while the other man is standing in front of him. The man who is sitting on the chair looks like he is a principal. Another man may have come for a job. The principal is taking an interview from him to select an intelligent man because he needs an intelligent man to do his work. The man who has come for a job wears a white shirt and black jeans and there are also some books in his hands while the other man who looks like a principal wears a white shirt and also a jacket. There is a table in front of the principal. There is a telephone also present on the table for calling etc. There is another table also present on the right side of the principal which is very large. I can see a photo behind the principal which is very beautiful and may be it has been put there to beautify the office. It looks like there is a newspaper present on the table of the principal. So maybe when he has free time he will be reading the newspaper also. It looks like there is a football also on the top of the table which is located right side of the

Principal. There is no any colour except black and white, so we can say that this is  
A black and white picture. There is a book on the table which is present next to the  
Principal, so it may be a dictionary book or another book so when he has free time  
He will read it.
