

China as a Strategic partner or an emerging economic threat to Pakistan?

China as a strategic partner very good for Pakistan because they are investing in Pakistan to help and developing many different things for Pakistan and also working and developing cpec to help Pakistan if we see china as a strategic partner then its very good for Pakistan and there are alots of enemies of Pakistan and chine who wants to break there friend ships and did not like the cpec project and dint want to develop gawadher port as a emerging and turning point for Pakistan. And not seeing china as economic threat to paistan because chine is very well develop and up to date with technology and helping Pakistan to grow. So yeah china is no thread to pkaistan.
