## Dialogue about corona virus covid 19

Zahid: Hello Shahid how are you?

Shahid: I'm fine thanks what about you

Zahid: also I'm fine thanks

Shahid: how life is going on now a days and quarantine

Zahid it's too boring but it's good to be at home and safe lives

Shahid: yes, you are right this disease is so dangerous

Being at home can save our live and others too

Do you have any new information about covid 19?

Zahid: not too much but all around the world the number of deaths increases day by day which around 148976 have been died.

**Shahid** ohh no! What a somber situation is going on in the world may Allah save us from this dark disease, what should we do in this situation  
**zahid**

**Zahid**: first of all without any of necessary work don't go outside. In case you want to go wear gloves and put mask. When you go back to home get off your gloves remove your mask and use sanitizer or wash it properly.

**Shahid**: thanks you zahid you have really given me the good information but it's our musth to inform these, whom don't know

**Zahid**: yes you are right Shahid there for I am considered about those present people that they don't have food to eat

**Shahid**: yes you are right however this is the responsibility of government must help poor families in these two months till finishing of covid 19 Allah help us no one can finished these disease.

**Zahid**: I agree with you, regards to rich people business man big workers to help his or her who has the ability to help poor people that lives in their society because this is torment or a kind of torture to those who have done a lot of oppression and committed sin.

**Shahid**: 100% you are right people of the world must repent from his or her sin and must start worship and good deeds.

Age 25

Date of birth June 1995,

To whom it may concern,

I was very excited to see your Nutritionist job which was advertised in The Daily Newspaper yesterday. I am a health and nutrition professional with over four years of experience in this field and I am dedicated myself to enhance people awareness of healthy food. I have Bachelor of Science in nutrition

I carefully evaluated and arranged diets based on every single nutritional needs while working as a nutritionist. I have collaborated together with other colleagues who advised me of different conditions of individuals had and based on that information I adjusted meals accordingly. I have an ability to grow with a job, handle responsibility and build positive relationships with work colleagues at all levels.

Beyond that which is already mentioned in my attached Application, I am someone who knows how to set goals and achieve them, and have a proven track record of being able evaluate and arrange diets. I feel certain that my strong skills coupled with my ability to will be of immediate value to your company.

I very much hope that you will look favorably upon my application by recognizing my enthusiasm, talents and my future potential. I would dearly like to further discuss the scope of this position with you in person, and would welcome the chance of a meeting.

Thank you in advance for your time and consideration.

Yours sincerely,

Zarifullah Hayatzada

*Respected mam I have already sent you report
