**SUBJECT: to update the health department about the present situation due to covid-19 pandemic in my area**

Dear sir

It is to inform you that the people of my area are facing many problems because of this covid 19 outbreak. Hand sanitizers and masks are not available in most of the shops and marts, in other marts of this area they are available but at very high prices. Many people here are poor and they do not have enough money to afford these so they have nothing to cover there mouth with because of which there are chances of corona being spread in our area, there is 1 patient who is diagnosed with this deadly virus. The condition here the same in every parts of our country. The lockdown in our area is not very much effective if we see the attitude and knowledge of people regarding the danger of this danger, people are not taking this virus seriously many people are walking around with no gloves or masks but Some people are

trying their best to stay at home and who can afford masks and sanitizers are using the frequently but some are not maintaining social distance and are not staying at home.

sTherefore, it is requested that please take action against there marts which are selling these products at high prices than usual and provide the poor people with good quality free masks and sanitizers because poor or rich everyone deserves to live. We also need to change lockdown terms and rules to stop or prevent this virus from spreading.we have to learn from the mistakes of other countries like Italy. We should not take it easily and immediately proceed the precautions that are must to contain the spread of this virus. If these steps are taken we will hopefully prevent the spread of this virus and we can save more lives.

Yours faithfully  
Emaan malik

3. Describe a picture in your own words and suggest a title. (300 words)

### A GOOD DAY

In this black and white picture I can see there are two men, one is sitting on the chair and the other is standing with some files in his hand they look like some important files. It looks like they are in an office the person sitting on the comfortable chair must be the boss or the head of this office. The boss looks like he is a very well mannered and down to earth person. He is wearing suit and a tie, there is pocket on his coat. The other boy looks like he works for this boss ( employee ). The boss is talking to the boy about something.

The man which is standing or the employ looks like an obedient boy because he is holding his head down out of respect for his sir. he looks very young. He is wearing a white shirt and black pant. It

looks like the boss is very happy with his performance and he is being promoted to a higher post maybe that is why the boss is smiling while talking to him, the boss is pointing towards the employee with his index finger he might be saying that you are a very hard working and responsible man that is why I chose you for this promotion.

The office in which they are sitting looks like a very clear office, it is very organized office. There is a big table which has some pen holders and a file holder with files inside it. This office had an office chair on which the boss is sitting. There is an old fashioned telephone set on the corner of the table. I can see a cupboard with some drawers in it in the corner of the office. It might be used to keep some important files and paper inside it. I can see a globe on the cupboard. There is also a painting which is hanging on the wall behind the boss. It has some mountains painted on it. It is making the office look more professional and well decorated.
