A story dialogues between
two friend ceremony about
Eid - Millad - un - Nabi.

Ali : Assalam ualaikum

Bilal : Wa' alaikum assalam.

Ali : How are you Bilal.

Bilal : I am fine. How come you
are here so early? Haven't you
gone to the shop today?

Ali : Today is Eid-Milad-un-Nabi.
Most shop and market are closed.

Bilal : Ahan! So you are celebrating
Eid today!

Ali : why? Aren't you celebrating

Bilal : Well, actually there are only
two Eid in Islam; Eid Al-Fitar
and Eid-ul-Adha.

Ali : There is this third Eid
as well which is called
Eid Milad-un-Nabi.

2

Bilal: Hmmm, tell me one thing,
for this third Eid do people
go on this Eid day to Eid Ground
for performing Eid Prayer?

Ali: No, there is no Prayer
for Eid Milaad-un-Nabi.

Bilal: Then why do perform Prayers
for the rest of the two Eids?

Ali: Because those have to be
performed.

Bilal: why?

Ali: Because those have been
prescribed to be performed.

Bilal: Isn't there any order for
performing the Prayer of Eid Milaad-un-Nabi?

Ali: Well I guess there won't
be any ... that's why no
one perform it.

Bilal: Is there any order
anywhere for celebrating the
Eid Milaad-un-Nabi?

Ali: In fact have never heard of
any ~~at~~ order, but it is ~~not even~~

not even Prohibited.

Bilal: Is the Prayer for this Eid Prohibited?

Ali: Well even that's not Prohibited?

Bilal: Then why don't you Perform it?

Ali: What do you want to say?

Bilal: What I want to tell you is that there is no Proof for this Eid in Islam. Had this Eid been Part of Islam then just like the other two Eid there would have been a Prayer for it, its virtues would have been mentioned in ahadith, Rasool Allah Sal Allaho Alyhe Wasallam would have described and elaborated its instruction and rulings.

Ali: Does that mean that People who celebrate it are mistaken?

Bilal: Islam is not the name of action of muslim, Islam is the name of Quran and Hadith.

4

whatever is Proven as Per QURAN and Hadith is Part of Deen, and whatever is not Proven is not Part of Deen.

If anyone makes it Part of Deen then they are adding something to the original Deen and this is grave sin, this is what is termed as Bid'ah. Rasool Sal Allahu Alyho Wasallam seriously warned his Ummah against Bid'ah.

Ali: Didn't anyone celebrate his Eid during the time of the Companions and their follower?

Bilal: Not at all. Never. Not even any Imam or muhaddith did celebrate this Eid after the Sahaba and Taba'een. The four Imam of Ahlul Sunnah never even heard of the name Eid.

Ali: How ~~can this possible~~ and ~~has actually been the case as well.~~

Ali: How can this possible that a muslim loves (RASAW) but at the same time lets birthday Pass his

Bilal : The real Proof of the love for (RASAW) is established by following the Quran and Sunnah.

Ali : Today all People gathering and Prayer for Hazrat Muhammad.

Bilal : well, my heart can Prayer for Hazrat Muhammad.
