Dear's Mytabud

20 June 2020

Dear waqar.

How are you these days? do you enjoy your school life? I am quite busy these days because I have more university work to do than before, but I still like reading books in my spare time.

I borrowed an English book from the library last week and the book is great. Although the book contains more than 200 pages, I still could finish the reading in two days. It is so attracting and motivating. Let me introduce the book first to you. The book is called 'Anne'. The cover creates a classical story written by Montogony. The setting of the book is a small village of Canada and it is the life story of Anne. The language is pleasant and the plot is well.

I strongly recommended
book to you because this
sure you can learn a lot
from the book, as I need
to finish my home work,
I have to go now, send
love warmest regard to your
family.

Best wishes
wajid ahmad
