Smoking in public places has to be banned

Smoking is really a bad habit. It can damage our health as well as highly damage our lungs. There are many toxic substances in cigarette like nicotine which is very harmful for our health. The number of peoples who smoke have increased over the year. Although they know that smoking is unhealthy for their body, people still to smoke.

Smoking is an addictive habit. Smoking does not effect only smokers negatively but also all the peoples around them.

So it is important for the **Government** that they should banned smoking in public areas. If the smoking is banned in public areas, it will promote a healthier lifestyle for everyone.

Banning smoking in public areas the government sent the message that the government cares about the health of the citizens.

Thus , when smoking is banned in public areas it reminds each person that health care is important.

Smoking should be banned in public places. The places they do allow smoking might lose a bit of money but it will also help with the health problems that occurs.

The ban will discourage non smokers from starting to smoke. There will be no cigarettes butters littered all over the place affecting the environment negatively. Smoking can damages peoples lungs and heart That's why many people's died because of smoking.

There is a saying that goes "**Monkey see monkey do**" which tells us that people imitate the actions of others as they see it in their daily lives. So the peoples think that smoking makes a person **cool** but actually it will destroy their health .

So it is important for the government that they should banned smoking in public places.

The Way I Spend My Lockdown during Covid19

On 10th March Government of Pakistan declared lockdown all over in Pakistan due to Covid19 . So in this holidays I teach my little sister who just got her 9th standard result and got 10th standard books. My mother said to me that help her in her studies.

In this holidays of lockdown I learn a lot of things. I cook many dishes before I cannot cooked it. I spend lots of times with my family because of busy schedule of school, college and university I was unable to spend time with my family .so because of lockdown I spend a lot of time with my family and enjoy with them.

I watch a lot of dramas and play so many games. After some days of lockdown our online classes were started.

Teachers gives lectures on WhatsApp or google classroom. So I also prepare myself for online exam.

I really miss my all university friends in this lockdown. I chat with my friends most of the time. I also really miss my cousins and grand mother because of lockdown I cannot go to my grand mother home.

I used to watch a lot of travel videos and things like that but since pandemic , all bloggers are like **Corona! Corona!** Its really annoying. So I avoid many channels.

I read so many novels and books .I listen so many latest songs to refreshing my mind.

I am not interested in cooking but in this lockdown it takes some profound efforts to make food every day. Still, it is entertaining if all family members work together to cook meal

Actually I really bore in this lockdown but I also really enjoy with my family in this lockdown.
