He motivated his communities to learn the western philosophy and English lecture to get along with the ruling people. Therefore in order to fulfill this desire he started the Aligarh movement. He had two immediate objective in view.

- * (1) To remove the state of Tension between the muslim and the British government.
- * (2) To Induce them to get jobs and other facilities under the new government.

* "Muslim as a Nation"

⇒ Sir Syed used the word "nation" for the muslims. Some writers criticize that he declared Hindus and muslims one nation. But as a matter of fact he advocated the Hindu-Muslim unity that mean "the working relationship" between the two nation as once he said "Hindu and Muslim should try to be of one mind in matter which affected their progress". He favored
