Q:-1 Translate the following verse with background description.

Ans Translation:-

O you believe! Do not raise your voices above the Prophet's voice, nor speak to him lowly, nor address him in the manner you address one another, lest your works be in vain without realizing.

Background Description:-

The two righteous ones, Abu Bakr and Umar almost earned destruction when they raised their voices before the prophet who was receiving the delegation of Banu Tameem. One of them recommended

Al-Aqra' ibn Haabis, from Banu Muzashih, while the other recommended another man. Nafi (a sub-narrator) said: I don't remember his name. Abu Bakr said to "Umar, 'You only wanted to contradict me,' while 'Umar said, 'I did not intend to contradict you.' Their voices then became loud. Thereupon Allah, the Exalted, send down this: 'Abdullah ibn Az-Zubayr said, "After that, Umar's voices was so low that the messenger of Allah had to ask him to repeat what he was saying so that he could understand what he was saying to him."'

Q:-02 Translation:

~~And~~ And they who do not call upon another god with Allah and do not commit fornication and he who does this shall find a requital of sin;

Explanation:-

In ~~the~~ This verse,

Allah has described three characteristics of a true believer.

- 1) They who do not call upon another god with Allah
- 2) Slay the soul, which Allah has forbidden except in the requirements of justice.
- 3) Do not commit fornication and he who does this shall find a requital of sin.

**Preclusion from Shirk:-**

**Translation:-**

They who do not call upon another god with Allah and those who do not invoke any other god along with Allah. The first six characteristics included the principles of obedience and characteristics of disobedience are described. Among these these blessed servants do not

associate any one with Allah Ta'ala in His worship. This point establishes that (shirk) is the biggest sin of all.

**Innocent killing and illegal intercourse:**

**Translation:-**

Do not kill a person whom Allah has given sanctity. Do not commit fornication and he who does this shall find a requital of sin.

This is the description of the major and grave sins pertaining to one's deeds. It is mentioned that Allah's blessed servants do not go even near them; they indulge in adultery nor do they kill innocent people.

Q-3 Translate the following  
verse and describe it.

Ans Translation:

O humanity! Indeed, we created you from a male and female, and you into peoples and tribes so that you may 'get to' know one another. Surely the most noble of you in the sight of Allah is the most righteous among you. Allah is truly All-Knowing, All-Aware.

Explanation:-

O people! Indeed, I have created you from one male: your father Adam, and one female: your mother Eve. Therefore, your lineage is the the same, so some of you should not take pride in lineage over others. Then, I made you into many nations and dispersed tribes, so that you may recognize one another not so that you take pride in them, because pride can

can only be due to Allah's consciousness, indeed, the most noble form among you according to Allah is the one who is most mindful of him. Indeed, Allah is aware of your conditions, knowing of what levels of perfection ~~and~~ and deficiency you are on; nothing is hidden from him.
