Q1: Using the following business rules create your own ERD.
**Following requirements for a simple database for the National Hockey League (NHL):**

• the NHL has many teams,

• these teams only belong to NHL

• each team has a name, a city, a coach, a captain, and a set of players,

• each player belongs to only one team,

• each player has a name, a position (such as left wing or goalie), a skill level, and a set of

injury records

• NHL has an official website.
