1) Introduction :-

The first thing to understand about the Quran is its form. The Arabic word "Quran" means both "recitation" and "reading". Similarly the Quran was both recited orally and written down in Book form.

The Quran is was revealed to Prophet Muhammad (SAW) by God through the agency of angel Gabriel. This book took place in Makkah and partly in Madinah. The Quran Pak specifically mentions that Muhammad (SAW) was the messenger to the whole mankind, and that He is the last messenger to be sent. Not only did Prophet-Muhammad (SAW) bring the Quran, He also explained it to His Companions, and these sayings have been collected and preserved till this day. God says;

And we have sent to you (O Muhammad) the message that you may explain clearly to men what is sent for them.

4) Translation of Quran in language;

First there is a distinction between the Quran and its translation. In certain view, the Bible is the Bible, no matter what the language it may be in. But translation of Quran is not the word of the God. For the Quran is the exact Arabic words spoken by God, Revealed to Prophet Muhammad (SAW) by Gabriel. The word of God is only the Arabic Quran as God says:

"Indeed, I revealed it as an Arabic Quran" (Quran 12:2).

The style of Quran is inimitable and of divine beauty and power. Try as he may, no man can write a paragraph that is comparable to a verse of the revealed Book.
