Mingora Swat.

Dear Junaid Shehzad,

How are you? I hope you are doing well. I am writing this letter to you for the reason that recently I have read one book and I am proposing you to read this book for your carrier growth.

Few weeks before, I visited National Public Library which is a few miles away from my house and I have found a wonderful book name called "Advanced Mathematics". Actually, I read this book because of my current projects and it is really very valuable. Whereas you can get the information related to overcome in Mathematics and how we can thoroughly learn this subject. In addition to this, all the algorithms and functions are easily explained. I heard that next two years' objective in your future project is 'Advanced Mathematics' and your team manager is looking forward to provide training as well.

I thus, request you to read this book and learn Advanced Mathematics to become a mathematician and if you want to buy this book then you can buy it from Ikram Book Seller or If you want to take it for few weeks then you can get it from the library. Please confirm immediately in order to hold this book in library because this is a very rare book.

I am looking forward to your response.

Yours affectionately,

Mohammad Rauf
