To,

S.D.O. Malakand division

Subject- Complaint against high
load Shedding.

Respected Sir,

This is to inform ~~to~~ you that we, the people of Malakand are facing a lot of issues related to power cuts- we are forced to live in darkness and without electricity for hours together when we call to grade they said the problem could be due to frequent load Shedding.

Although we have made repeated attempts at placing Complaint against this issue no official has come down to help us out with it. The students and children are suffering the most.

Kindly help us out and please solve this issue for our division.

Looking forward to a positive action

Thanking you,

Subhan ULLah Khan

QNO 18- Write descriptive essay
on a famous health resort
you have recently visited:-

⇒ A visit to Health resort
SWAT

SWAT is known as paradise on
the earth. The people call it Switzerland
land of Asia. But those who have
seen Switzerland find it more beautiful
it is a land of many splendors and
surprises, its scenic beauty, natural
beauty, soothing atmosphere, clear cool
water serpentine rivers, the babbling
brooks fresh water lakes and
snow-clad mountains,

→ There are many health resorts
in Swat such as Piza gat, Madain,
Shamozo, Saidu Baba, Malam jaba, Gaben
jaba.

etc. we went to Piza gat
and we were allowed a time for
one hour. I with my two more friends

proceed toward the river of Piza gat.
We sat on its bank for about
half an hour the cool and refreshing
air brought new life to us.

The water was delightfully cool
and clear.

We were tempted by the cool
water to have a quiet bath in the
river. We then returned to our tent
and had our lunch. We enjoyed
the rare exotic delicacies prepared
with extra care by our mother
at home.
