

# Course Code: DÉCOR AND ACCESSORIES

## Project No 1: Design Accessories for Bedroom

Duration and submission: 4 weeks

Week 09, 10, 11 and 12

Submission: 22-05-2020

### Project Description:

Specify elements and accessories for your own bedroom. First make a theme for your own bedroom, the theme should be based on color & pattern design and make a mood board of this.

And then specify an element of interior design (Furniture), for that furniture specify accessories.

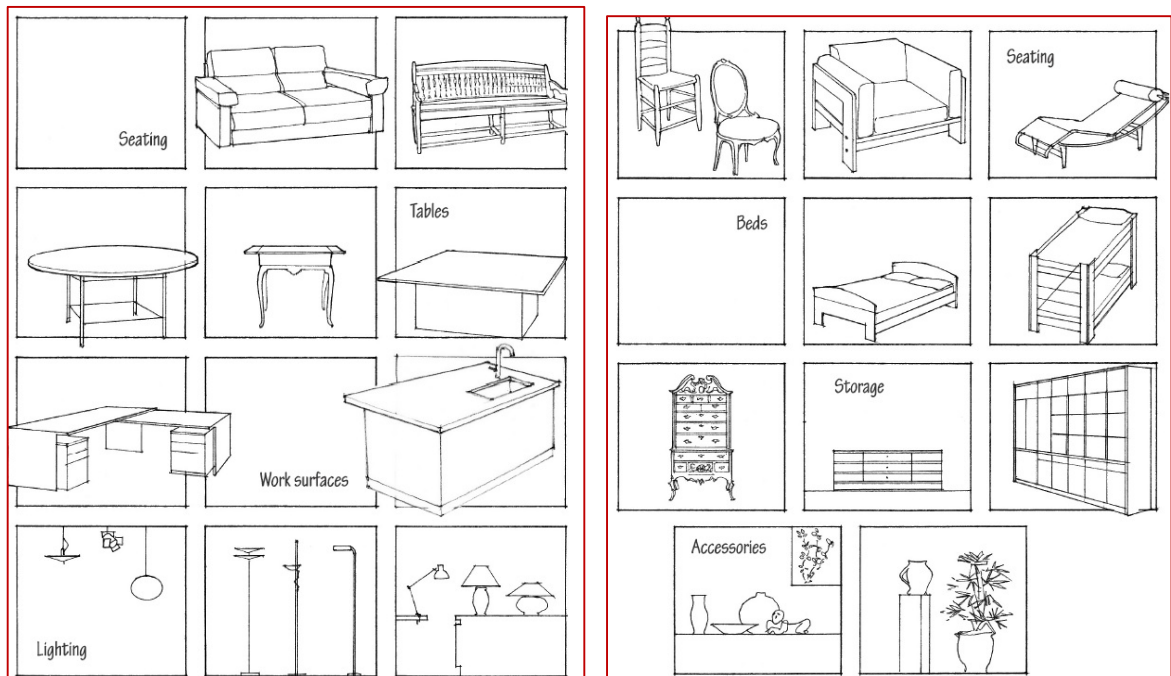

The furniture and accessories have followed a theme of colors and pattern which show unity of the whole design.

Accessories list should include...

Sculpture, painting, Drawings, Graphic Arts and Photography, Mirrors, Tableware and cookware, Ceramic, glass, Wood, metals and alloys, Basket, Clocks and decorative lighting fixtures, books and textiles, objects from nature (Plants, Flowers and greenery)

- 1) First make a Mood board of Colors and patterns for your room.
- 2) Second make a Mood board which includes Furniture and accessories according wit name to your color and pattern.
